In accordance with the Prison Rape Elimination Act (PREA) standard 115.388 for Hamilton County Juvenile, 1600 East 3rd Street Chattanooga, TN for the year 2018 he facility had 5 PREA allegations. The 5 allegations were of sexual harassment of a resident by staff. All were unfounded. There was no data to compare to from the previous year. PREA was implemented March 1st, 2018. We have taken ongoing action to improve: Each staff member received 36 hours of PREA training, 17 cameras have been added to the facility, all residents receive PREA Education, and the number of unannounced rounds has been increased. In September we had our first PREA audit which helps the facility continue to improve in all areas in order to prevent, detect, report, and respond to sexual abuse and sexual harassment.
